Call for applications for Ph.D. scholarships

The Institute of Mathematics of the Polish Academy of Sciences announces a call for Ph.D. scholarships in NCN Opus grant "Selected topics in knot theory", on the following rules:

1. the scholarship is paid monthly for the period between 6 and 18 months,

2. the amount of the scholarship is determined by the applications committee and is between 1000-3000 PLN monthly,

3. the amount of the scholarship plus the standard scholarship cannot result in the income of more than 5000 PLN/month.

Requirements:

1. The candidate should be a Ph.D. student (e.g. in a doctoral school)

2. The candidate should present at least one accepted paper on knot theory or related topics

The application should be sent to mborodzik@impan.pl no later than Dec. 17th, 2022. The e-mail should contain:

1. CV with publication list,

2. a consent for processing personal data,

3. a confirmation of being a Ph.D. student (students from Ph.D. schools coorganized by IMPAN are exempt from this requirement).

Applications sent after the deadline or incomplete, will not be considered.
