

INSTITUTE OF MATHEMATICS

POLISH ACADEMY OF SCIENCES

Open call
for 3–7 years assistant professor/IM PAN professor/full professor
positions
at the Institute of Mathematics
of the Polish Academy of Sciences

Applications must be submitted by **January 31, 2024**, only using the "Application Form" <https://konkurs.impan.pl/konkurs-3-7/>. The application should contain a CV, a research statement, a list of publications and a proposal of the branch and people whom the candidate would like to collaborate with.

By the same date two letters of recommendation should be sent by email to konkurs@impan.pl (in the subject of the e-mail, indicate please "*Competition for 3-7 positions*" and the full name of the candidate).

We encourage to apply all qualified candidates, regardless of sex, racial or ethnic origin, religion or belief, disability, age or sexual orientation.

The successful candidates will be required to conduct intensive research activities in the field of mathematics or its applications. They are expected to establish their own research teams at the Institute of Mathematics (through seminars and care for novice mathematicians) or significantly contribute to the existing teams. The Institute also expects participation in national and international research programs and grants. The achievements of persons employed under this competition will be subject to periodic evaluation.

The competition will be settled in mid-March 2024, and the candidates will be notified of the result by letter. The condition for taking up employment is the candidate's consent to include them in the number of people appearing in the application for a statutory subsidy, obtaining leave from their home institution (if applicable) and consent to work for a maximum of 2-3 semesters (depending on the total period of employment) in an equivalent position at the University of Warsaw as part of an exchange program between the two institutions.

Additional information can be obtained at <https://www.impan.pl/> and from Mrs. Anna Poczmańska at anpo@impan.pl.

Deputy Director
Institute of Mathematics of PAS

Prof. dr hab. Adam Skalski
